PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors (the "Board") of CLPS Incorporation (the "Company," "CLPS" "we," "us," or "our") for the Annual Meeting of Shareholders to be held at the Company's principal executive office, at 2nd Floor, Building 18, Shanghai Pudong Software Park 498 Guoshoujing Road, Pudong, Shanghai 201203, People's Republic of China on March 22, 2019, at 9AM local China time (or 9PM Eastern Daylight Time) and for any adjournment or adjournments thereof, for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders. The Company will bear the costs of this solicitation.

If the enclosed proxy is properly executed and returned, the shares represented thereby will be voted in accordance with the directions thereon and otherwise in accordance with the judgment of the persons designated as proxies. Any proxy card on which no instruction is specified will be voted in favor of the actions described in this Proxy Statement and for the election of the nominees set forth under the caption "Election of Directors." Any shareholder appointing such a proxy has the power to revoke it at any time before it is voted. If you are a holder of record, written notice of such revocation should be forwarded to Continental Stock Transfer & Trust Company, 1 State Street, 30th Floor, New York NY 10004-1561, facsimile: 212-616-7613, Attn: Proxy Services. If you hold your shares in street name, you should contact your broker about revoking your proxy.

Your vote is important. Accordingly, you are urged to sign and return the accompanying proxy card whether or not you plan to attend the meeting. If you do attend the meeting and are a record holder, you may vote by ballot at the meeting and your proxy will be deemed to be revoked. If you hold your shares in street name and wish to vote your shares at the meeting, you should contact your broker about getting a proxy appointing you to vote your shares.

VOTING SECURITIES

Only holders of our common shares of record at the close of business on February 8, 2019 (the "Record Date") are entitled to vote at the meeting. On the record date, the Company had 13,813,821 common shares outstanding and entitled to vote at the Annual Meeting. For purposes of voting at the Annual Meeting, each common share is entitled to one vote upon all matters to be acted upon at the meeting. No business may be transacted at any meeting of shareholders unless a quorum is present at the commencement of business. No less than one-third (1/3) of the common shares entitled to vote at the Annual Meeting, represented in person or by proxy throughout the meeting.

Election of directors must be approved by the affirmative vote of a simple majority of the votes of the common shares entitled to vote thereon which were present at the Annual Meeting and were voted. The affirmative vote of a simple majority of the votes cast in person or by proxy at the Annual Meeting and entitled to vote is required to ratify the appointment of independent certified public accountants and approve the 2019 Equity Incentive Plan. A "majority vote" means that a proposal passes if it receives a majority of the votes cast by, or on behalf of, the shareholders entitled to vote and present at the meeting.

An ordinary resolution to be passed at a meeting by the shareholders requires the affirmative vote of a simple majority of the votes attaching to the ordinary shares cast by, or on behalf of, the shareholders entitled to vote at a meeting, while a special resolution requires the affirmative vote of a majority of at least two-thirds of such shareholders as, being entitled to do so, vote in person or by proxy of which notice specifying the intention to propose the resolution as a special resolution has been duly given. A special resolution will be required for important matters such as a change of name or making changes to our memorandum and articles of association.

Only Shares that are voted are taken into account in determining the proportion of votes cast for the election of directors. Any Shares not voted (whether by abstention, broker non-vote or otherwise) will therefore only impact the election of directors to the extent that the failure to vote for any individual may result in another individual's receiving a larger proportion of votes cast. Similarly, any Shares not voted (whether by abstention, broker non-vote or otherwise) will only impact the percentage of votes cast for or against the other three matters. Except for determining the presence or absence of a quorum for the transaction of business, broker non-votes are not counted for any purpose in determining whether a matter has been approved.

The Annual Meeting will be postponed if a quorum is not present at the Annual Meeting. For purposes of determining the presence of a quorum, abstentions and broker non-votes will be counted as present. A broker non-vote occurs when a broker or nominee holding shares for a beneficial owner signs and returns a proxy but does not vote on a particular proposal because the broker or nominee does not have discretionary voting power and has not received instructions from the beneficial owner. If a quorum is not present, the meeting shall stand adjourned to the same time and place seven days hence, or to such other time or place as is determined by the directors (unless the meeting was requisitioned by the shareholders, in which case such meeting shall be cancelled if a quorum is not present). If a quorum is present, the meeting may be adjourned by the chairman of the meeting by the consent of shareholders who are represented constituting a quorum. The meeting may be rescheduled at the time of the adjournment with no further notice of the rescheduled time (except such notice provided at the meeting at which the adjournment decision was made) if the meeting is adjourned for seven clear days or less. Should a meeting be adjourned for more than seven days, whether because of a lack of quorum or otherwise, shareholders shall be given at least seven days' notice of the date, time and place of the adjourned meeting and the general nature of the business to be transacted. An adjournment will have no effect on the business to be conducted.

Our Memorandum and Articles of Association do not contain any provisions that allow cumulative voting for elections of directors.

The Company is soliciting your vote through the use of the mail and will bear the cost of this solicitation. The Company does not intend to employ third party solicitors, but our directors, officers, employees, and consultants may solicit proxies by mail, telephone, personal contact, or through online methods; to the extent they do so, the Company will reimburse their expenses for doing this. The Company will also reimburse brokers, fiduciaries, and custodians for their costs in forwarding proxy materials to beneficial owners of the Company's stock. Other proxy solicitation expenses include those for preparation, mailing, returning, and tabulating the proxies.

The Board is not proposing any action for which the applicable rules and laws provide a right of a shareholder to obtain appraisal of or payment for such shareholder's shares.

Copies of the Company's Annual Report on Form 20-F for the fiscal year ended June 30, 2018 as filed with the Securities and Exchange Commission are being sent to all shareholders along with this proxy statement. Additional copies will be furnished without charge to shareholders upon written request. Exhibits to the Annual Report will be provided upon written request. All written requests should be directed to the Company at its main office in Shanghai. The Company is subject to certain disclosure requirements of the Securities Exchange Act of 1934, as amended. The SEC maintains a website that contains various filings and reports regarding companies that file electronically with the SEC. The SEC's website address is www.sec.gov. In addition, our filings may be inspected and copied at the public reference facilities of the SEC located at 100 F Street, N.E. Washington, DC 20549; and at the SEC's regional offices at 233 Broadway, New York, NY 10279 and Citicorp Center, 500 West Madison Street, Room 1400, Chicago, IL 60661. Copies of the material may also be obtained upon request and payment of the appropriate fee from the Public Reference Section of the SEC located at 100 F Street, N.E., Washington, DC 20549.

VOTING PROCEDURES

If you are a shareholder of record, you may vote in person at the Annual Meeting.

We will give you a ballot sheet when you arrive. If you do not wish to vote in person or you will not be attending the annual meeting, you may vote by proxy. If you have received a printed copy of these proxy materials by mail, you may vote by proxy using the enclosed proxy card. To vote by proxy using the enclosed proxy card (only if you have received a printed copy of these proxy materials by mail), complete, sign and date your proxy card and return it promptly in the envelope provided. If you intend to vote by proxy, your vote must be received by 5:30 p.m., local China time on March 21, 2019 to be counted.

If your shares are registered in your name, you are a shareholder of record with respect to those shares. On the other hand, if your shares are registered in the name of your broker or bank, your shares are held in street name and you are considered the “beneficial owner” of the shares. As the beneficial owner of those shares, you have the right to direct your broker or bank how to vote your shares, and you will receive separate instructions from your broker or bank describing how to vote your shares.

If you give a proxy, you may revoke it at any time before it is exercised. You may revoke your proxy in three ways:

1. You may send in another proxy with a later date.
2. You may notify us in writing (or if the stockholder is a corporation, under its corporate seal, by an officer or attorney of the corporation) at our principal executive offices before the Annual Meeting that you are revoking your proxy.
3. You may vote in person at the Annual Meeting.

YOUR VOTE IS IMPORTANT. EVEN IF YOU PLAN TO ATTEND THE ANNUAL MEETING, WE ENCOURAGE YOU TO COMPLETE AND RETURN THE ENCLOSED PROXY CARD TO ENSURE THAT YOUR SHARES ARE REPRESENTED AND VOTED. THIS BENEFITS THE COMPANY BY REDUCING THE EXPENSES OF ADDITIONAL PROXY SOLICITATION.

PROPOSAL 1 ELECTION OF DIRECTORS

The Nominating Committee of the Board has recommended that the Board nominate and the Board has nominated Xiao Feng Yang, Raymond Ming Hui Lin, Jin He Shao, Kewei Huang and Kathryn Amooi, each to serve until the next Annual Meeting of Shareholders or until each successor is duly elected and qualified. It is intended that the proxy appointed by the accompanying proxy card will vote for the election, as directors, of the persons named below, unless the proxy card contains contrary instructions.

The Company has no reason to believe that any of the nominees will not be a candidate or will be unable to serve as director. However, in the event that any of the nominees should become unable or unwilling to serve as a director, the persons named in the proxy have advised that they will vote for the election of such person or persons as shall be designated by the directors, unless the proxy card contains contrary instructions.

None of the events listed in Item 401(f) of Regulation S-K has occurred during the past ten years that is material to the evaluation of the ability or integrity of any of our directors, director nominees or executive officers. To the best of our knowledge, there have been no events under any bankruptcy act, criminal proceedings, judgments, injunctions, orders or decrees material to the evaluation of the ability and integrity of any director, executive officer, promoter or control person of the Company during the past ten years and there have been no material proceedings to which any director or executive officer is a party adverse to the Company or any of its subsidiaries or has any material interest averse to the Company or any of its subsidiaries.

THE BOARD AND BOARD COMMITTEES

During the last fiscal year, the Board met via teleconference on a number of occasions. All of the directors attended 75% or more of the aggregate of meetings of the Board and meetings of any committee which such director is a member. Each director is expected to participate, either in person or via teleconference, in meetings of our Board and meetings of committees of our Board in which each director is a member, and to spend the time necessary to properly discharge such director's respective duties and responsibilities. We do not have a written policy with regard to directors' attendance at annual meetings of shareholders; however, all directors are encouraged to attend the annual meeting.

Composition of Board; Risk Oversight

Our Board of Directors presently consists of five directors. Pursuant to our memorandum and articles of association, our officers will be elected by and serve at the discretion of the Board. Our directors are not subject to a term of office and hold office until such time as they resign or are removed from office by resolution of our shareholders. A director will be removed from office automatically if, among other things, the director becomes bankrupt or makes any arrangement or composition with his creditors, or becomes physically or mentally incapable of acting as director. Except as noted above, there are no family relationships between any of our executive officers and directors. Officers are elected by, and serve at the discretion of, the Board. Our Board holds meetings on at least a quarterly basis. There are no other arrangements or understandings pursuant to which our directors are selected or nominated.

There is no formal requirement under the Company's memorandum and articles of association mandating that we hold an annual meeting of our shareholders.

Except as noted above, there are no family relationships between any of our executive officers and directors. Officers are elected by, and serve at the discretion of, the board of directors. Our Board holds meetings on at least a quarterly basis. As a smaller reporting company under the NASDAQ rules we are only required to maintain a board of directors comprised of at least 50% independent directors, and an audit committee of at least two members, comprised solely of independent directors who also meet the requirements of Rule 10A-3 under the Securities Exchange Act of 1934. Further, there are no share ownership qualifications for directors unless so fixed by us in a general meeting.

Our Board plays a significant role in our risk oversight and makes all relevant Company decisions. As such, it is important for us to have our Chief Executive Officer serve on the Board as he plays key roles in the risk oversight of the Company. As a smaller reporting company with a small Board, we believe it is appropriate to have the involvement and input of all of our directors in risk oversight matters.

Director Independence

Our Board has reviewed the independence of our directors, applying the NASDAQ independence standards. Based on this review, the Board determined that each of Kathryn Amooi, Kewei Huang and Jin He Shao are "independent" within the meaning of the NASDAQ rules. In making this determination, our Board considered the relationships that each of these non-employee directors has with us and all other facts and circumstances our board deemed relevant in determining their independence.

Duties of Directors

Under Cayman Islands law, our directors have a duty of loyalty to act honestly in good faith with a view to our best interests. Our directors also have a duty to exercise the skill they actually possess and such care and diligence that a reasonably prudent person would exercise in comparable circumstances. In fulfilling their duty of care to us, our directors must ensure compliance with our memorandum and articles of association. A shareholder may have the right to seek damages in our name if a duty owed by our directors is breached.

Board Committees

Currently, three committees have been established under the board: the Audit Committee, the Compensation Committee and the Nominating Committee.

The Audit Committee is responsible for overseeing the accounting and financial reporting processes of our company and audits of the financial statements of our company, including the appointment, compensation and oversight of the work of our independent auditors. The Compensation Committee reviews and makes recommendations to the board regarding our compensation policies for our officers and all forms of compensation, and also administers our incentive compensation plans and equity-based plans (but our board retains the authority to interpret those plans). The Nominating Committee is responsible for the assessment of the performance of the board, considering and making recommendations to the board with respect to the nominations or elections of directors and other governance issues. The nominating committee considers diversity of opinion and experience when nominating directors.

Audit Committee

The Audit Committee is responsible for, among other matters:

- appointing, compensating, retaining, evaluating, terminating, and overseeing our independent registered public accounting firm;
- discussing with our independent registered public accounting firm the independence of its members from its management;
- reviewing with our independent registered public accounting firm the scope and results of their audit;
- approving all audit and permissible non-audit services to be performed by our independent registered public accounting firm;
- overseeing the financial reporting process and discussing with management and our independent registered public accounting firm the interim and annual financial statements that we file with the SEC;
- reviewing and monitoring our accounting principles, accounting policies, financial and accounting controls, and compliance with legal and regulatory requirements;
- coordinating the oversight by our board of directors of our code of business conduct and our disclosure controls and procedures
- establishing procedures for the confidential and/or anonymous submission of concerns regarding accounting, internal controls or auditing matters; and
- reviewing and approving related-party transactions.

Our Audit Committee consists of Kathryn Amooi, Kewei Huang and Jin He Shao, with Mr. Shao serving as chair of the Audit Committee. Our board has affirmatively determined that each of the members of the Audit Committee meets the definition of “independent director” for purposes of serving on an Audit Committee under Rule 10A-3 of the Exchange Act and NASDAQ rules. In addition, our board has determined that Mr. Shao qualifies as an “audit committee financial expert” as such term is currently defined in Item 407(d)(5) of Regulation S-K and meets the financial sophistication requirements of the NASDAQ rules.

Compensation Committee

The Compensation Committee is responsible for, among other matters:

- reviewing and approving, or recommending to the board of directors to approve the compensation of our CEO and other executive officers and directors;
- reviewing key employee compensation goals, policies, plans and programs;
- administering incentive and equity-based compensation;
- reviewing and approving employment agreements and other similar arrangements between us and our executive officers; and

- appointing and overseeing any compensation consultants or advisors.

Compensation Committee consists of Kathryn Amooi, Kewei Huang and Jin He Shao, with Mr. Huang serving as chair of the Compensation Committee.

Nominating Committee

The Nominating Committee is responsible for, among other matters:

- selecting or recommending for selection candidates for directorships;
- evaluating the independence of directors and director nominees;
- reviewing and making recommendations regarding the structure and composition of our board and the board committees;
- developing and recommending to the board corporate governance principles and practices;
- reviewing and monitoring the Company's Code of Business Conduct and Ethics; and
- overseeing the evaluation of the Company's management.

Our Nominating Committee consists of Kathryn Amooi, Kewei Huang and Jin He Shao, with Ms. Amooi serving as chair of the Nominating Committee.

The Nominating committee will consider director candidates recommended by shareholders. Shareholders who wish to recommend to the Committee a candidate for election to the Board should send their letters to c/o 2nd Floor, Building 18, Shanghai Pudong Software Park, 498 Guoshoujing Road, Pudong, Shanghai 201203, People's Republic of China. The corporate secretary will promptly forward all such letters to the members of the Nominating Committee.

Board Member Attendance at Annual Meetings

Our Board nominees are generally expected to attend our Annual Meetings unless personal circumstances make the Board member or director nominee attendance impracticable or inappropriate.

Shareholder Communications with Directors

We have no formal written policy regarding communication with the Board. Persons wishing to write to the Board or to a specified director or committee of the Board should send correspondence to the Secretary at our main office. Electronic submissions of shareholder correspondence will not be accepted. The Secretary will forward to the directors all communications that, in his judgment, are appropriate for consideration by the directors. Any correspondence received that is addressed generically to the Board will be forwarded to the Chairman of the Board, with a copy will be sent to the Chairman of the Audit Committee.

Interested Transactions

A director may vote, attend a board meeting or sign a document on our behalf with respect to any contract or transaction in which he or she is interested. A director must promptly disclose the interest to all other directors after becoming aware of the fact that he or she is interested in a transaction we have entered into or are to enter into. A general notice or disclosure to the board or otherwise contained in the minutes of a meeting or a written resolution of the board or any committee of the board that a director is a shareholder, director, officer or trustee of any specified firm or company and is to be regarded as interested in any transaction with such firm or company will be sufficient disclosure, and, after such general notice, it will not be necessary to give special notice relating to any particular transaction.

Remuneration and Borrowing

The directors may receive such remuneration as our board of directors may determine from time to time. Each director is entitled to be repaid or prepaid for all traveling, hotel and incidental expenses reasonably incurred or expected to be incurred in attending meetings of our board of directors or committees of our board of directors or shareholder meetings or otherwise in connection with the discharge of his or her duties as a director. The compensation committee will assist the directors in reviewing and approving the compensation structure for the directors. Our board of directors may exercise all the powers of the company to borrow money and to mortgage or charge our undertakings and property or any part thereof, to issue debentures, debenture stock and other securities whenever money is borrowed or as security for any debt, liability or obligation of the company or of any third party.

Qualification

Outstanding Equity Incentive Awards at Fiscal Year-End

We have adopted a 2017 Equity Incentive Plan (the "Plan"). The Plan is a stock-based compensation plan that provides for discretionary grants of, among others, stock options, stock awards and stock unit awards to key employees and directors of the Company. On July 12, 2018, our Board approved, upon a recommendation of the Compensation Committee, several restricted stock grants to the members of executive management and the Board of the Company pursuant to the terms of the Plan. Specifically, the Company granted an aggregate of 671,469 RSUs to key employees and directors under the Plan. No grants were made in fiscal 2018. RSUs granted to key employees and directors generally have a term of three years, but are subject to earlier termination in connection with termination of continuous service to the Company. RSUs are valid for a period of 10 years from July 12, 2018 to July 11, 2028. RSUs vest one-third per year over a three-year period, with the first one third vesting on the grant date. As at the grant date of July 12, 2018, the weighted-average fair value per share was \$12.22 and the estimated total fair value of the restricted shares granted was \$8.2 million. Following the foregoing issuance, we had 1,986,179 common shares available under the Plan. In addition, in November 2018, our Board of Directors authorized and approved an issuance to various key employees of the Company a total of 306,967 options to purchase common shares under the terms of the Plan, which options are exercisable at the exercise price of \$5.25 per share and vesting over a 4-year period.

PROPOSAL 3
TO APPROVE THE 2019 EQUITY INCENTIVE PLAN

In January 2019, our Board approved the 2019 Equity Incentive Plan (the “Plan”), subject to shareholder approval. All of our employees, officers, and directors, and consultants are eligible to be granted options or restricted stock awards (each, an “Award”) under the Plan. The Plan is currently administered by the Board, which has all the power to administer the Plan according to its terms, including the power to grant Awards, determine who may be granted Awards and the types and amounts of Awards to be granted, prescribe Award agreements, and establish programs for granting Awards. Awards may be made under the Plan for up to 2,200,000 of our common shares. No awards have been granted under the Plan as of today.

The Plan is a stock-based compensation plan that provides for discretionary grants of, among others, stock options, stock awards and stock unit awards to employees and directors of the Company. The purpose of the Plan is to recognize contributions made to our company and its subsidiaries by such individuals and to provide them with additional incentive to achieve the objectives of our Company. The following is a summary of the Plan and is qualified by the full text of the Plan.

Administration. The Plan will be administered by our board of directors, or, once constituted, the Compensation Committee of the board of directors (we refer to body administering the Plan as the “Committee”).

Number of Shares of Common Shares. The number of common shares that may be issued under the Plan is 2,200,000. Shares issuable under the Plan may be authorized but unissued shares or treasury shares. If there is a lapse, forfeiture, expiration, termination or cancellation of any award made under the Plan for any reason, the shares subject to the award will again be available for issuance. Any shares subject to an award that are delivered to us by a participant, or withheld by us on behalf of a participant, as payment for an award or payment of withholding taxes due in connection with an award will not again be available for issuance, and all such shares will count toward the number of shares issued under the Plan. The number of common shares issuable under the Plan is subject to adjustment, in the event of any reorganization, recapitalization, stock split, stock distribution, merger, consolidation, split-up, spin-off, combination, subdivision, consolidation or exchange of shares, any change in the capital structure of the company or any similar corporate transaction. In each case, the Committee has the discretion to make adjustments it deems necessary to preserve the intended benefits under the Plan. No award granted under the Plan may be transferred, except by will, the laws of descent and distribution.

Eligibility. All employees, directors, and consultants of the Company are eligible to receive awards under the Plan.

Awards to Participants. The Plan provides for discretionary awards of, among others, stock options, stock awards and stock unit awards to participants. Each award made under the Plan will be evidenced by a written award agreement specifying the terms and conditions of the award as determined by the Committee in its sole discretion, consistent with the terms of the Plan.

Stock Options. The Committee has the discretion to grant non-qualified stock options or incentive stock options to participants and to set the terms and conditions applicable to the options, including the type of option, the number of shares subject to the option and the vesting schedule; each option will expire ten years from the date of grant and no dividend equivalents may be paid with respect to stock options. The aggregate maximum number of shares as to which an Employee may receive Stock Options and Stock Appreciation Rights in any calendar year is 200,000, except that the aggregate maximum number of shares as to which an Employee may receive Stock Options and Stock Appreciation Rights in the calendar year in which such Employee begins employment with the Company or its Subsidiaries is 350,000.

Stock Awards. The Committee has the discretion to grant stock awards to participants. Shares granted under the Plan will be effective and exercisable as of the Company's completion of our initial public offering of its securities and other terms, restrictions and qualifications that may be set forth in the individual grant agreements. Stock awards will consist of common shares granted without any consideration from the participant or shares sold to the participant for appropriate consideration as determined by the Board. The number of shares awarded to each participant, and the restrictions, terms and conditions of the award, will be at the discretion of the Committee. Subject to the restrictions, a participant will be a shareholder with respect to the shares awarded to him or her and will have the rights of a shareholder with respect to the shares, including the right to vote the shares and receive dividends on the shares; provided that dividends otherwise payable on any performance-based stock award will be held by us and will be paid to the holder of the stock award only to the extent the restrictions on such stock award lapse, and the Committee in its discretion can accumulate and hold such amounts payable on any other stock awards until the restrictions on the stock award lapse. The aggregate maximum number of shares that may be used for Stock Awards, Stock Bonus Awards and or Stock Unit Awards that may be granted to any employee in any calendar year is 350,000 or, in the event the award is settled in cash, an amount equal to the fair market value of such number of shares on the date on which the award is settled.

Payment for Stock Options and Withholding Taxes. The Committee may make one or more of the following methods available for payment of any award, including the exercise price of a stock option, and for payment of the minimum required tax obligation associated with an award: (i) cash; (ii) cash received from a broker-dealer to whom the holder has submitted an exercise notice together with irrevocable instructions to deliver promptly to us the amount of sales proceeds from the sale of the shares subject to the award to pay the exercise price or withholding tax; (iii) by directing us to withhold common shares otherwise issuable in connection with the award having a fair market value equal to the amount required to be withheld; and (iv) by delivery of previously acquired common shares that are acceptable to the Committee and that have an aggregate fair market value on the date of exercise equal to the exercise price or withholding tax, or certification of ownership by attestation of such previously acquired shares.

Amendment of Award Agreements; Amendment and Termination of the Plan; Term of the Plan. The Committee may amend any award agreement at any time, provided that no amendment may adversely affect the right of any participant under any agreement in any material way without the written consent of the participant, unless such amendment is required by applicable law, regulation or stock exchange rule. The Board may terminate, suspend or amend the Plan, in whole or in part, from time to time, without the approval of the shareholders, unless such approval is required by applicable law, regulation or stock exchange rule, and provided that no amendment may adversely affect the right of any participant under any outstanding award in any material way without the written consent of the participant, unless such amendment is required by applicable law, regulation or rule of any stock exchange on which the shares are listed. Notwithstanding the foregoing, neither the Plan nor any outstanding award agreement can be amended in a way that results in the repricing of a stock option. Repricing is broadly defined to include reducing the exercise price of a stock option or cancelling a stock option in exchange for cash, other stock options with a lower exercise price or other stock awards. No awards may be granted under the Plan on or after the tenth anniversary of the effective date of the Plan.

Section 3. Administration.

3.1 The Committee.

The Plan shall be administered by the Committee, which shall be comprised of at least two members of the Board who satisfy the “non-employee director” definition set forth in Rule 16b-3 under the Exchange Act, unless the Board otherwise determines.

3.2 Authority of the Committee.

(a) The Committee, in its sole discretion, shall determine the Employees and Directors to whom, and the time or times at which Awards will be granted, the form and amount of each Award, the expiration date of each Award, the time or times within which the Awards may be exercised, the cancellation of the Awards and the other limitations, restrictions, terms and conditions applicable to the grant of the Awards. The terms and conditions of the Awards need not be the same with respect to each Participant or with respect to each Award.

(b) To the extent permitted by applicable law, regulation, and rules of a stock exchange on which the Shares are listed or traded, the Committee may delegate its authority to grant Awards to Employees and to determine the terms and conditions thereof to such officer of the Company as it may determine in its discretion, on such terms and conditions as it may impose, except with respect to Awards to officers subject to Section 16 of the Exchange Act.

(c) The Committee may, subject to the provisions of the Plan, establish such rules and regulations as it deems necessary or advisable for the proper administration of the Plan, and may make determinations and may take such other action in connection with or in relation to the Plan as it deems necessary or advisable. Each determination or other action made or taken pursuant to the Plan, including interpretation of the Plan and the specific terms and conditions of the Awards granted hereunder, shall be final and conclusive for all purposes and upon all persons.

(d) No member of the Board or the Committee shall be liable for any action taken or determination made hereunder in good faith. Service on the Committee shall constitute service as a Director so that the members of the Committee shall be entitled to indemnification and reimbursement as Directors of the Company pursuant to the Company's Certificate of Incorporation and By-Laws.

3.3 Award Agreements.

(a) Each Award shall be evidenced by a written Award Agreement specifying the terms and conditions of the Award. In the sole discretion of the Committee, the Award Agreement may condition the grant of an Award upon the Participant's entering into one or more of the following agreements with the Company: (i) an agreement not to compete with the Company and its Subsidiaries which shall become effective as of the date of the grant of the Award and remain in effect for a specified period of time following termination of the Participant's employment with the Company; (ii) an agreement to cancel any employment agreement, fringe benefit or compensation arrangement in effect between the Company and the Participant; and (iii) an agreement to retain the confidentiality of certain information. Such agreements may contain such other terms and conditions as the Committee shall determine. If the Participant shall fail to enter into any such agreement at the request of the Committee, then the Award granted or to be granted to such Participant shall be forfeited and cancelled.

Section 4. Shares Subject to Plan.

4.1 Total Number of Shares.

(a) The total number of Shares that may be issued under the Plan shall be 2,200,000. Such shares may be either authorized but unissued shares or treasury shares, and shall be adjusted in accordance with the provisions of Section 4.3 of the Plan.

(b) The number of Shares delivered by a Participant or withheld by the Company on behalf of any such Participant as full or partial payment of an Award, including the exercise price of a Stock Option or of any required withholding taxes, shall not again be available for issuance pursuant to subsequent Awards, and shall count towards the aggregate number of Shares that may be issued under the Plan. Any Shares purchased by the Company with proceeds from a Stock Option exercise shall not again be available for issuance pursuant to subsequent Awards, shall count against the aggregate number of shares that may be issued under the Plan and shall not increase the number of shares available under the Plan.

(c) If there is a lapse, forfeiture, expiration, termination or cancellation of any Award for any reason (including for reasons described in Section 3.3), or if Shares are issued under such Award and thereafter are reacquired by the Company pursuant to rights reserved by the Company upon issuance thereof, the Shares subject to such Award or reacquired by the Company shall again be available for issuance pursuant to subsequent Awards, and shall not count towards the aggregate number of Shares that may be issued under the Plan.

4.2 Shares Under Awards.

Of the Shares authorized for issuance under the Plan pursuant to Section 4.1:

(a) The maximum number of Shares as to which an Employee may receive Stock Options or SARs in any calendar year is 200,000, except that the maximum number of Shares as to which a Employee may receive Stock Options or SARs in the calendar year in which such Employee begins employment with the Company or its Subsidiaries is 350,000.

(b) The maximum number of Shares that may be subject to Stock Options (ISOs and/or NSOs) is full amount of the plan.

(c) The maximum number of Shares that may be used for Stock Awards and/or Stock Unit Awards that may be granted to any Employee in any calendar year is 350,000, or, in the event the Award is settled in cash, an amount equal to the Fair Market Value of such number of shares on the date on which the Award is settled.

(d) The maximum number of Shares subject to Awards granted under the Plan or otherwise during any one calendar year to any Director, taken together with any cash fees paid by the Company to such Director during such calendar year for service on the Board, will not exceed \$1,000,000 in total value (calculating the value of any such Awards based on the grant date fair value of such Awards for financial reporting purposes).

The numbers of shares described herein shall be as adjusted in accordance with Section 4.3 of the Plan.

4.3 Adjustment.

In the event of any reorganization, recapitalization, stock split, stock distribution, merger, consolidation, split-up, spin-off, combination, subdivision, consolidation or exchange of shares, any change in the capital structure of the Company or any similar corporate transaction, the Committee shall make such adjustments as it deems appropriate, in its sole discretion, to preserve the benefits or intended benefits of the Plan and Awards granted under the Plan. Such adjustments may include: (a) adjustment in the number and kind of shares reserved for issuance under the Plan; (b) adjustment in the number and kind of shares covered by outstanding Awards; (c) adjustment in the exercise price of outstanding Stock Options or SARs or the price of Stock Awards or Stock Unit Awards under the Plan; (d) adjustments to any of the shares limitations set forth in Section 4.1 or 4.2 of the Plan; and (e) any other changes that the Committee determines to be equitable under the circumstances.

Section 5. Grants of Stock Options.

5.1 Grant.

Subject to the terms of the Plan, the Committee may from time to time grant Stock Options to Participants. Unless otherwise expressly provided at the time of the grant, Stock Options granted under the Plan to Employees will be NSOs. Stock Options granted under the Plan to Directors who are not employees of the Company or any Subsidiary will be NSOs.

5.2 Stock Option Agreement.

The grant of each Stock Option shall be evidenced by a written Stock Option Agreement specifying the type of Stock Option granted, the exercise period, the exercise price, the terms for payment of the exercise price, the expiration date of the Stock Option, the number of Shares to be subject to each Stock Option and such other terms and conditions established by the Committee, in its sole discretion, not inconsistent with the Plan.

5.3 Exercise Price and Exercise Period.

With respect to each Stock Option granted to a Participant:

(a) The per share exercise price of each Stock Option shall be the Fair Market Value of the Shares subject to the Stock Option on the date on which the Stock Option is granted, but such exercise price shall not be less than its par value.

(b) Each Stock Option shall become exercisable as provided in the Stock Option Agreement; provided that the Committee shall have the discretion to accelerate the date as of which any Stock Option shall become exercisable in the event of the Participant's termination of employment with the Company, or service on the Board, without cause (as determined by the Board in its sole discretion).

(c) No dividends or dividend equivalents shall be paid with respect to any shares subject to a Stock Option prior to the exercise of the Stock Option.

(d) Each Stock Option shall expire, and all rights to purchase Shares thereunder shall expire, on the date ten years after the date of grant.

5.4 Required Terms and Conditions of ISOs.

In addition to the foregoing, each ISO granted to an Employee shall be subject to the following specific rules:

(a) The aggregate Fair Market Value (determined with respect to each ISO at the time such Option is granted) of the Shares with respect to which ISOs are exercisable for the first time by an Employee during any calendar year (under all incentive stock option plans of the Company and its Subsidiaries) shall not exceed \$100,000. If the aggregate Fair Market Value (determined at the time of grant) of the Shares subject to an ISO which first becomes exercisable in any calendar year exceeds the limitation of this Section 5.4(a), so much of the ISO that does not exceed the applicable dollar limit shall be an ISO and the remainder shall be a NSO; but in all other respects, the original Stock Option Agreement shall remain in full force and effect.

(b) Notwithstanding anything herein to the contrary, if an ISO is granted to an Employee who owns stock possessing more than 10% of the total combined voting power of all classes of stock of the Company (or its parent or subsidiaries within the meaning of Section 422(b)(6) of the Code): (i) the purchase price of each Shares subject to the ISO shall be not less than 110% of the Fair Market Value of the Shares on the date the ISO is granted; and (ii) the ISO shall expire, and all rights to purchase Shares thereunder shall expire, no later than the fifth anniversary of the date the ISO was granted.

(c) No ISOs shall be granted under the Plan after ten years from the earlier of the date the Plan is adopted or approved by shareholders of the Company.

5.5 Exercise of Stock Options.

(a) A Participant entitled to exercise a Stock Option may do so by delivering written notice to that effect specifying the number of Shares with respect to which the Stock Option is being exercised and any other information the Committee may prescribe. All notices or requests provided for herein shall be delivered to the Chief Financial Officer of the Company.

(b) The Committee in its sole discretion may make available one or more of the following alternatives for the payment of the Stock Option exercise price: (i) in cash; (ii) in cash received from a broker-dealer to whom the Participant has submitted an exercise notice together with irrevocable instructions to deliver promptly to the Company the amount of sales proceeds from the sale of the shares subject to the Stock Option to pay the exercise price; (iii) by directing the Company to withhold such number of Shares otherwise issuable in connection with the exercise of the Stock Option having an aggregate Fair Market Value equal to the exercise price; (iv) by delivering previously acquired Shares that are acceptable to the Committee and that have an aggregate Fair Market Value on the date of exercise equal to the Stock Option exercise price; or (v) by certifying to ownership by attestation of such previously acquired Shares.

The Committee shall have the sole discretion to establish the terms and conditions applicable to any alternative made available for payment of the Stock Option exercise price.

Section 6. Stock Awards.

6.1 Grant.

The Committee may, in its discretion, (a) grant Shares under the Plan to any Participant without consideration from such Participant or (b) sell Shares under the Plan to any Participant for such amount of cash, Shares or other consideration as the Committee deems appropriate.

6.2 Stock Award Agreement.

Each Shares granted or sold hereunder shall be subject to such restrictions, conditions and other terms as the Board may determine at the time of grant or sale, the general provisions of the Plan, the restrictions, terms and conditions of the related Stock Award Agreement, and the following specific rules:

(a) The Award Agreement shall specify whether the Shares are granted or sold to the Participant and such other provisions, not inconsistent with the terms and conditions of the Plan, as the Committee shall determine.

(b) The restrictions to which the Shares awarded hereunder are subject shall lapse as provided in Stock Award Agreement; provided that the Committee shall have the discretion to accelerate the date as of which the restrictions lapse with respect to any Award held by a Participant in the event of the Participant's termination of employment with the Company, or service on the Board, without cause (as determined by the Committee in its sole discretion).

(c) Except as provided in this subsection (c) and unless otherwise set forth in the related Stock Award Agreement, the Participant receiving a grant of or purchasing Shares shall thereupon be a shareholder of the Company with respect to such shares and shall have the rights of a shareholder of the Company with respect to such shares, including the right to vote such shares and to receive dividends and other distributions paid with respect to such shares; provided that any dividends or other distributions payable with respect to the Stock Award shall be accumulated and held by the Company and paid to the Participant only upon, and to the extent, the restrictions lapse in accordance with the terms of the applicable Stock Award Agreement. Any such dividends or other distributions held by the Company attributable to the portion of a Stock Award that is forfeited shall also be forfeited.

Section 7. Stock Unit Awards.

7.1 Grant.

The Committee may, in its discretion, grant Stock Unit Awards to any Participant. Each Stock Unit subject to the Award shall entitle the Participant to receive, on the date or the occurrence of an event (including the attainment of performance goals) as described in the Stock Unit Award Agreement, a Share or cash equal to the Fair Market Value of a Share on the date of such event as provided in the Stock Unit Award Agreement.

7.2 Stock Unit Agreement.

Each Stock Unit Award shall be subject to such restrictions, conditions and other terms as the Committee may determine at the time of grant, the general provisions of the Plan, the restrictions, terms and conditions of the related Stock Unit Award Agreement and the following specific rules:

(a) The Stock Unit Agreement shall specify such provisions, not inconsistent with the terms and conditions of the Plan, as the Committee shall determine.

(b) The restrictions to which the shares of Stock Units awarded hereunder are subject shall lapse as provided in Stock Unit Agreement; provided that the Committee shall have the discretion to accelerate the date as of which the restrictions lapse with respect to any Award held by a Participant in the event of the Participant's termination of employment with the Company, or service on the Board, without cause (as determined by the Board in its sole discretion).

(c) Except as provided in this subsection (c) and unless otherwise set forth in the Stock Unit Agreement, the Participant receiving a Stock Unit Award shall have no rights of a shareholder of the Company, including voting or dividends or other distributions rights, with respect to any Stock Units prior to the date they are settled in Shares; provided that a Stock Unit Award Agreement may provide that until the Stock Units are settled in shares or cash, the Participant shall be entitled to receive on each dividend or distribution payment date applicable to the Shares an amount equal to the dividends or other distributions that the Participant would have received had the Stock Units held by the Participant as of the related record date been actual Shares. Such amounts shall be accumulated and held by the Company and paid to the Participant only upon, and to the extent, the restrictions lapse in accordance with the terms of the applicable Stock Unit Award Agreement. Such amounts held by the Company attributable to the portion of the Stock Unit Award that is forfeited shall also be forfeited.

Section 8. SARs.

8.1 Grant.

The Committee may grant SARs to Participants. Upon exercise, an SAR entitles the Participant to receive from the Company the number of Shares having an aggregate Fair Market Value equal to the excess of the Fair Market Value of one share as of the date on which the SAR is exercised over the exercise price, multiplied by the number of shares with respect to which the SAR is being exercised. The Committee, in its discretion, shall be entitled to cause the Company to elect to settle any part or all of its obligations arising out of the exercise of an SAR by the payment of cash in lieu of all or part of the shares it would otherwise be obligated to deliver in an amount equal to the Fair Market Value of such shares on the date of exercise. Cash shall be delivered in lieu of any fractional shares. The terms and conditions of any such Award shall be determined at the time of grant.

8.2 SAR Agreement.

(a) Each SAR shall be evidenced by a written SAR Agreement specifying the terms and conditions of the SAR as the Committee may determine, including the SAR exercise price, expiration date of the SAR, the number of Shares to which the SAR pertains, the form of settlement and such other terms and conditions established by the Committee, in its sole discretion, not inconsistent with the Plan.

(b) The per Share exercise price of each SAR shall not be less than 100% of the Fair Market Value of a Share on the date the SAR is granted.

(c) Each SAR shall expire and all rights thereunder shall cease on the date fixed by the Committee in the related SAR Agreement, which shall not be later than the ten years after the date of grant; provided however, if a Participant is unable to exercise an SAR because trading in the Shares is prohibited by law or the Company's insider-trading policy, the SAR exercise date shall be extended to the date that is 30 days after the expiration of the trading prohibition.

(d) Each SAR shall become exercisable as provided in the related SAR Agreement; provided that notwithstanding any other Plan provision, the Committee shall have the discretion to accelerate the date as of which any SAR shall become exercisable in the event of the Participant's termination of employment, or service on the Board, without cause (as determined by the Committee in its sole discretion).

(e) No dividends or dividend equivalents shall be paid with respect to any SAR prior to the exercise of the SAR.

(f) A person entitled to exercise an SAR may do so by delivery of a written notice in accordance with procedures established by the Committee specifying the number of Shares with respect to which the SAR is being exercised and any other information the Committee may prescribe. As soon as reasonably practicable after the exercise of an SAR, the Company shall (i) issue the total number of full Shares to which the Participant is entitled and cash in an amount equal to the Fair Market Value, as of the date of exercise, of any resulting fractional share, and (ii) if the Committee causes the Company to elect to settle all or part of its obligations arising out of the exercise of the SAR in cash, deliver to the Participant an amount in cash equal to the Fair Market Value, as of the date of exercise, of the shares it would otherwise be obligated to deliver.

Section 9. Change in Control.

9.1 Effect of a Change in Control.

(a) Notwithstanding any of the provisions of the Plan or any outstanding Award Agreement, upon a Change in Control of the Company (as defined in Section 9.2), the Board is authorized and has sole discretion to provide that (i) all outstanding Awards shall become fully exercisable, (ii) all restrictions applicable to all Awards shall terminate or lapse and (iii) performance goals applicable to any Awards shall be deemed satisfied at the highest level, as applicable, in order that Participants may realize the benefits thereunder.

(b) In addition to the Board's authority set forth in Section 3, upon such Change in Control of the Company, the Board is authorized and has sole discretion as to any Award, either at the time such Award is granted hereunder or any time thereafter, to take any one or more of the following actions: (i) provide for the purchase of any outstanding Stock Option, for an amount of cash equal to the difference between the exercise price and the then Fair Market Value of the Shares covered thereby had such Stock Option been currently exercisable; (ii) make such adjustment to any such Award then outstanding as the Board deems appropriate to reflect such Change in Control; and (iii) cause any such Award then outstanding to be assumed by the acquiring or surviving corporation after such Change in Control.

9.2 Definition of Change in Control.

"Change in Control" of the Company shall be deemed to have occurred if at any time during the term of an Award granted under the Plan any of the following events occurs:

(a) any Person (other than the Company, a trustee or other fiduciary holding securities under an employee benefit plan of the Company, or a corporation owned directly or indirectly by the shareholders of the Company in substantially the same proportions as their ownership of Shares) is or becomes the Beneficial Owner, directly or indirectly, of securities of the Company representing 30% or more of the combined voting power of the Company's then outstanding securities entitled to vote generally in the election of directors ("Person" and "Beneficial Owner" being defined in Rule 13d-3 of the General Rules and Regulations of the Exchange Act);

(b) the Company is party to a merger, consolidation, reorganization or other similar transaction with another corporation or other Person unless, following such transaction, more than 50% of the combined voting power of the outstanding securities of the surviving, resulting or acquiring corporation or Person or its parent entity entitled to vote generally in the election of directors (or Persons performing similar functions) is then beneficially owned, directly or indirectly, by all or substantially all of the individuals and entities who were the beneficial owners of the Company's outstanding securities entitled to vote generally in the election of directors immediately prior to such transaction, in substantially the same proportions as their ownership, immediately prior to such transaction, of the Company's outstanding securities entitled to vote generally in the election of directors;

(c) the election to the Board, without the recommendation or approval of two-thirds of the incumbent Board, of the lesser of: (i) three Directors; or (ii) Directors constituting a majority of the number of Directors of the Company then in office; provided, however, that Directors whose initial assumption of office is in connection with an actual or threatened election contest, including but not limited to a consent solicitation, relating to the election of Directors of the Company will not be considered as incumbent members of the Board for purposes of this Section; or

(d) there is a complete liquidation or dissolution of the Company, or the Company sells all or substantially all of its business and/or assets to another corporation or other Person unless, following such sale, more than 50% of the combined voting power of the outstanding securities of the acquiring corporation or Person or its parent entity entitled to vote generally in the election of directors (or Persons performing similar functions) is then beneficially owned, directly or indirectly, by all or substantially all of the individuals and entities who were the beneficial owners of the Company's outstanding securities entitled to vote generally in the election of directors immediately prior to such sale, in substantially the same proportions as their ownership, immediately prior to such sale, of the Company's outstanding securities entitled to vote generally in the election of directors.

In no event, however, shall a Change in Control be deemed to have occurred, with respect to a Participant, if that Participant is part of a purchasing group which consummates the Change in Control transaction. A Participant shall be deemed "part of a purchasing group" for purposes of the preceding sentence if the Participant is an equity participant or has agreed to become an equity participant in the purchasing company or group (except for (a) passive ownership of less than 3% of the shares of the purchasing company; or (b) ownership of equity participation in the purchasing company or group which is otherwise not deemed to be significant, as determined prior to the Change in Control by a majority of the disinterested Directors).

Section 10. Payment of Taxes.

(a) In connection with any Award, and as a condition to the issuance or delivery of any Shares to the Participant in connection therewith, the Company shall require the Participant to pay the Company the minimum amount of federal, state, local or foreign taxes required to be withheld, and in the Company's sole discretion, the Company may permit the Participant to pay the Company up to the maximum individual statutory rate of applicable withholding.

(b) The Company in its sole discretion may make available one or more of the following alternatives for the payment of such taxes: (i) in cash; (ii) in cash received from a broker-dealer to whom the Participant has submitted notice together with irrevocable instructions to deliver promptly to the Company the amount of sales proceeds from the sale of the shares subject to the Award to pay the withholding taxes; (iii) by directing the Company to withhold such number of Shares otherwise issuable in connection with the Award having an aggregate Fair Market Value equal to the minimum amount of tax required to be withheld; (iv) by delivering previously acquired Shares of the Company that are acceptable to the Board that have an aggregate Fair Market Value equal to the amount required to be withheld; or (v) by certifying to ownership by attestation of such previously acquired Shares.

The Committee shall have the sole discretion to establish the terms and conditions applicable to any alternative made available for payment of the required withholding taxes.

Section 11. Postponement.

The Committee may postpone any grant or settlement of an Award or exercise of a Stock Option or SAR for such time as the Board in its sole discretion may deem necessary in order to permit the Company:

(a) to effect, amend or maintain any necessary registration of the Plan or the Shares issuable pursuant to an Award, including upon the exercise of a Stock Option or SAR, under the Securities Act of 1933, as amended, or the securities laws of any applicable jurisdiction;

(b) to permit any action to be taken in order to (i) list such Shares on a stock exchange if Shares are then listed on such exchange or (ii) comply with restrictions or regulations incident to the maintenance of a public market for its Shares, including any rules or regulations of any stock exchange on which the Shares are listed; or

(c) to determine that such Shares and the Plan are exempt from such registration or that no action of the kind referred to in (b)(ii) above needs to be taken; and the Company shall not be obligated by virtue of any terms and conditions of any Award or any provision of the Plan to sell or issue Shares in violation of the Securities Act of 1933 or the law of any government having jurisdiction thereof.

Any such postponement shall not extend the term of an Award and neither the Company nor its Directors or officers shall have any obligation or liability to a Participant, the Participant's successor or any other person with respect to any Shares as to which the Award shall lapse because of such postponement.

Section 12. Nontransferability.

Awards granted under the Plan, and any rights and privileges pertaining thereto, may not be transferred, assigned, pledged or hypothecated in any manner, or be subject to execution, attachment or similar process, by operation of law or otherwise, other than by will or by the laws of descent and distribution.

Section 13. Delivery of Shares.

Shares issued pursuant to a Stock Award, the exercise of a Stock or SAR or the settlement of a Stock Unit Award shall be represented by share certificates or on a non-certificated basis, with the ownership of such shares by the Participant evidenced solely by book entry in the records of the Company's transfer agent; provided, however, that upon the written request of the Participant, the Company shall issue, in the name of the Participant, share certificates representing such Shares. Notwithstanding the foregoing, shares granted pursuant to a Stock Award shall be held by the Secretary of the Company until such time as the shares are forfeited or settled.

Section 14. Termination or Amendment of Plan and Award Agreements.

14.1 Termination or Amendment of Plan.

(a) Except as described in Section 14.3 below, the Board may terminate, suspend, or amend the Plan, in whole or in part, from time to time, without the approval of the shareholders of the Company, unless such approval is required by applicable law, regulation or rule of any stock exchange on which the Shares are listed. No amendment or termination of the Plan shall adversely affect the right of any Participant under any outstanding Award in any material way without the written consent of the Participant, unless such amendment or termination is required by applicable law, regulation or rule of any stock exchange on which the Shares are listed. Subject to the foregoing, the Committee may correct any defect or supply an omission or reconcile any inconsistency in the Plan or in any Award granted hereunder in the manner and to the extent it shall deem desirable, in its sole discretion, to effectuate the Plan.

(b) The Board shall have the authority to amend the Plan to the extent necessary or appropriate to comply with applicable law, regulation or accounting rules in order to permit Participants who are located outside of the United States to participate in the Plan.

14.2 Amendment of Award Agreements.

The Committee shall have the authority to amend any Award Agreement at any time; provided however, that no such amendment shall adversely affect the right of any Participant under any outstanding Award Agreement in any material way without the written consent of the Participant, unless such amendment is required by applicable law, regulation or rule of any stock exchange on which the Shares are listed.

14.3 No Repricing of Stock Options.

Notwithstanding the foregoing, and except as described in Section 4.3, there shall be no amendment to the Plan or any outstanding Stock Option Agreement or SAR Agreement that results in the repricing of Stock Options or SARs without shareholders' approval. For this purpose, repricing includes (i) a reduction in the exercise price of the Stock Option or SARs or (ii) the cancellation of a Stock Option in exchange for cash, Stock Options or SARs with an exercise price less than the exercise price of the cancelled Options or SARs, other Awards or any other consideration provided by the Company, but does not include any adjustment described in Section 4.3.

Section 15. No Contract of Employment.
