On May 27, 2026, CLPS Incorporation (the “Company”) received a letter from the Listing Qualifications staff of The Nasdaq Stock Market (“Nasdaq”) notifying the Company that based on the closing bid price of the Company for the period from April 14, 2026 to May 26, 2026, the Company no longer meets the continued listing requirement of Nasdaq under Nasdaq Listing Rules 5450(a)(1), to maintain a minimum bid price of \$1 per share. The Nasdaq notification letter does not result in the immediate delisting of the Company’s common shares, and the shares will continue to trade uninterrupted under the symbol “CLPS.”

Pursuant to Nasdaq Listing Rule 5810(c)(3)(A), the Company has a compliance period of one hundred eighty (180) calendar days, or until November 23, 2026 (the “Compliance Period”), to regain compliance with Nasdaq’s minimum bid price requirement. If at any time during the Compliance Period, the closing bid price per share of the Company’s common shares is at least \$1.00 for a minimum of ten (10) consecutive business days, Nasdaq will provide the Company a written confirmation of compliance and the matter will be closed.

In the event the Company does not regain compliance by November 23, 2026, the Company may be eligible for an additional one hundred eighty (180) calendar day grace period. To qualify, the Company must submit, no later than the expiration date, an on-line transfer application and submit a non-refundable \$5,000 application fee to Nasdaq. The Company will be required to meet the continued listing requirement for market value of publicly held shares and all other initial listing standards for the Nasdaq Global Market, with the exception of the bid price requirement, and will need to provide written notice of its intention to cure the deficiency during the second compliance period, including by effecting a reverse stock split, if necessary.

On May 29, 2025, the Company issued a press release discussing the receipt of the deficiency letter, which is filed as exhibit 99.1 to this Form 6-K.

## CLPS Incorporation Receives Nasdaq Notification Regarding Minimum Bid Price Requirements

HONG KONG, May 29, 2026 / PRNewswire / — CLPS Incorporation (the “Company” or “CLPS”) (Nasdaq: CLPS) today announced that it received a notification letter (the “Notification Letter”) from Listing Qualifications Department of The Nasdaq Stock Market LLC (“Nasdaq”) dated May 27, 2026, indicating that the Company’s closing bid price for its common shares fell below \$1.00 per share for 30 consecutive trading days, which is not in compliance with Nasdaq Listing Rule 5450(a)(1) for continued listing on The Nasdaq Global Market. The Nasdaq notification does not affect CLPS’s current listing or trading of the Company’s securities on the Nasdaq Global Market. This press release is issued pursuant to Nasdaq Listing Rule 5810(b), which requires prompt disclosure upon the receipt of a deficiency notification.

Nasdaq Listing Rule 5450(a)(1) requires listed securities to maintain a minimum bid price of US\$1.00 per share, and Nasdaq Listing Rule 5810(c)(3)(A) provides that a failure to meet the minimum bid price requirement exists if the deficiency continues for a period of 30 consecutive business days. Based on the closing bid price of the Company’s common shares for the 30 consecutive business days from April 14, 2026 to May 26, 2026, the Company no longer meets the minimum bid price requirement.

Pursuant to the Nasdaq Listing Rule 5810(c)(3)(A), the Company has been granted a 180-calendar day compliance period, until November 23, 2026, to regain compliance with the minimum bid price requirement. To regain compliance, CLPS’s common shares must have a closing bid price of at least \$1.00 per share for a minimum of 10 consecutive business days. If the Company achieves this within the compliance period, Nasdaq will provide written confirmation of compliance and the matter will be closed.

In the event that the Company does not regain compliance by November 23, 2026, it may be eligible for an additional 180-day compliance period by transferring to the Nasdaq Capital Market from the Nasdaq Global Market, provided it meets the necessary listing requirements, and notifying Nasdaq of its intent to cure the deficiency by effecting a reverse stock split if necessary, or may be subject to delisting.

The Notification Letter will have no effect on the Company’s business operations, and CLPS intends to monitor the closing bid price of its common shares and is committed to taking all reasonable measures, including, but not limited to, implementing a reverse share split of its outstanding common shares, to regain compliance with Nasdaq’s minimum bid price requirement.
