EXPLANATORY NOTE

On June 23, 2026, CLPS Incorporation (the "Company" or "CLPS") furnished an updated corporate investor presentation (the "Presentation") to be used by the Company at the Investor Summit Virtual Conference on Wednesday, June 24, 2026. A copy of the Presentation is furnished as Exhibit 99.1 to this Report on Form 6-K and is incorporated herein by reference.

The information in this Report on Form 6-K, including Exhibit 99.1, is being furnished and shall not be deemed "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liabilities of that Section, nor shall it be deemed incorporated by reference into any filing under the Securities Act of 1933, as amended, or the Exchange Act, except as shall be expressly set forth by specific reference in such a filing.

This Report on Form 6-K, is hereby incorporated by reference into the Company's Registration Statements on Form S-8 (File No. 333-271860) and Form F-3 (File No. 333-291045).

Forward-Looking Statements

This communication includes certain statements that may constitute “forward-looking statements” for purposes of the U.S. federal securities laws. Forward-looking statements include, but are not limited to, statements that refer to projections, forecasts or other characterizations of future events or circumstances, including any underlying assumptions. The words “anticipate,” “believe,” “continue,” “could,” “estimate,” “expect,” “intends,” “may,” “might,” “plan,” “possible,” “potential,” “predict,” “project,” “should,” “would” and similar expressions may identify forward-looking statements, but the absence of these words does not mean that a statement is not forward-looking. Forward-looking statements may include, for example, statements about the achievement of performance hurdles, or the benefits of the events or transactions described in this communication and the expected returns therefrom. These statements are based on CLPS’s management’s current expectations or beliefs and are subject to risk, uncertainty, and changes in circumstances. Actual results may vary materially from those expressed or implied by the statements herein due to changes in economic, business, competitive and/or regulatory factors, and other risks and uncertainties affecting the operation of CLPS’s business. These risks, uncertainties and contingencies include changes in business conditions, fluctuations in customer demand, changes in accounting interpretations, management of rapid growth, intensity of competition from other providers of products and services, changes in general economic conditions, geopolitical events and regulatory changes, and other factors set forth in CLPS’s filings with the United States Securities and Exchange Commission. The information set forth herein should be read in light of such risks. CLPS is under no obligation to, and expressly disclaims any obligation to, update or alter its forward-looking statements whether as a result of new information, future events, changes in assumptions or otherwise.

No Offer or Solicitation

This Report on Form 6-K shall not constitute a solicitation of a proxy, consent, or authorization with respect to any securities or in respect of the proposed transaction. This Report on Form 6-K shall also not constitute an offer to sell or the solicitation of an offer to buy any securities, nor shall there be any sale of securities in any states or jurisdictions in which such offer, solicitation, or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction. No offering of securities shall be made except by means of a prospectus meeting the requirements of Section 10 of the Securities Act of 1933, as amended, or an exemption therefrom.

Disclaimer

This presentation has been prepared by CLPS Incorporation (the "Company" and together with its consolidated subsidiaries, the "Group"). The Presentation is intended for information purposes only and does not itself constitute, and should not be itself be construed as, an offer, invitation or recommendation to purchase, sell or subscribe for any securities in any jurisdiction.

Please carefully read the following before continuing. By attending a meeting where this Presentation is made, or by reading the Presentation or by otherwise receiving this Presentation or the information contained herein, you will be deemed to have agreed to the following terms, conditions and limitations and acknowledged that you understand the legal and regulatory sanctions attached to the misuse, disclosure or improper circulation of the Presentation. For the purposes of this notice, "Presentation" means and includes this document and its appendices, any oral presentation given in connection with this Presentation, any question and answer session during or after such oral presentation, and any written or oral material discussed or distributed during any oral presentation meeting.

This Presentation is intended to present background information about the Group, its business, and the industry in which it operates and is not intended to provide complete disclosure upon which an investment decision could be made. The analyses contained herein are not, and do not purport to be, appraisals of the assets, securities or business of the Group or any other person. Any decision as to whether to enter into any transaction should be taken solely by you. Before entering into any transaction, you should take steps to ensure that you fully understand any investment and have made an independent assessment of the appropriateness of any such investment in the light of your own objectives and circumstances, including its possible risks and benefits.

All statements contained herein other than statements of historical fact, including statements regarding our future results of operations and financial position, our business strategy and plans, and our objectives for future operations, are forward-looking statements. The words "believe," "may," "will," "estimate," "continue," "anticipate," "intend," "expect," and similar expressions are intended to identify forward looking statements. We have based these forward-looking statements largely on our current expectations and projections about future events and trends that we believe may affect our financial condition, results of operations, business strategy, short-term and long-term business operations and objectives, and financial needs. These forward-looking statements are subject to a number of risks, uncertainties and assumptions. We operate in a very competitive and rapidly changing environment. New risks emerge from time to time. It is not possible for our management to predict all risks, nor can we assess the impact of all factors on our business or the extent to which any factor, or combination of factors, may cause actual results to differ materially from those contained in any forward-looking statements we may make. In light of these risks, uncertainties and assumptions, the future events and trends discussed in this presentation may not occur and actual results could differ materially and adversely from those anticipated or implied in the forward looking statements.

No representation, warranty or undertaking (express or implied) is made or given by the Company, or any of its parent or subsidiary undertakings or any such person's Representatives, as to, and no reliance should be placed on, the fairness, accuracy, completeness or correctness of the information or the opinions contained herein, for any purpose whatsoever. No liability whatsoever is accepted as to any errors, omissions or misstatements contained herein. Accordingly, neither the Company nor any of its parent or subsidiary undertakings or any such person's Representatives, accepts any liability whatsoever arising directly or indirectly from the use of this Presentation.

The Company has not authorized any other person to provide any persons with any other information related to the Group, and the Company does not assume any responsibility for any information other persons may provide.

You are cautioned that forward-looking statements are not guarantees of future performance and that actual results or developments may differ materially from those set forth in these forward-looking statements. Important factors that could cause actual results to differ materially from these forward-looking statements include the risks described in the "Risk Factors" section of the Company's 2025 Annual Report on Form 20-F that has been filed with the U.S. Securities and Exchange Commission. Additional assumptions, risks and uncertainties are described in our registration statements, reports and other filings with the SEC and are available at www.sec.gov.

Strategic Transformation — A Pivotal Turning Point

Geographic Diversification

- Aggressive expansion into North America, APAC (ex-China), and the Middle East.

Result

- Reduced reliance on mainland China; established a more stable, scalable foundation.

High-Value Service Evolution

- Pivot from traditional IT consulting to AI-powered customized solutions.

Result

- Launch of Nibot AI agent; Web3-ready platform; legacy modernization wins.

Operational Discipline

- AI-driven automation, workforce optimization, and resource reallocation.

Result

- Improved efficiency while lowering expenses; R&D redeployed to revenue-generating work.

Niche Capabilities

CLPS combines specialized legacy system expertise, intelligent automation, full-stack testing, and deep banking SME knowledge — a unique mix that few players in the region can offer at scale.

COBOL + RPG

- Modernize mainframe and IBM i (AS/400) apps
- Turn legacy systems into APIs; move step-by-step to Java/cloud
- Focus on core banking and credit card
- Largest resource size in China

AI + RPA

- Use AI + RPA + workflow to automate end-to-end tasks
- Chatbots with knowledge search, access control, and full logs
- Fits KYC/AML, regulatory reports, reconciliations - clear time/cost savings

Testing

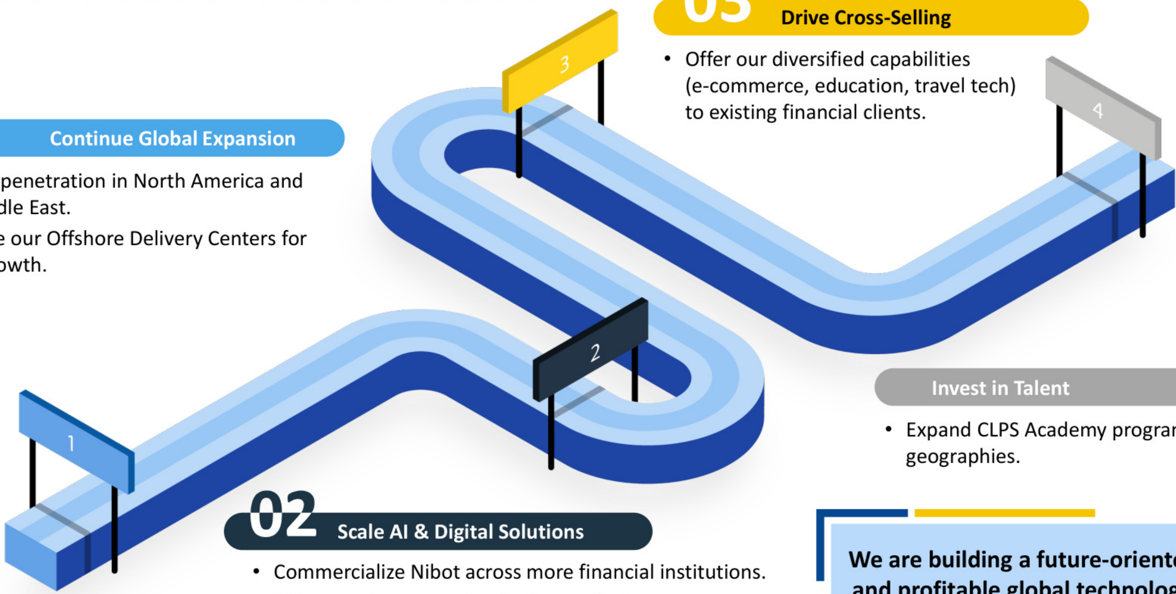
- Full coverage: functional, performance, security, mobile, data; strong UAT
- Focus on core banking and credit card testing
- AI helps design tests and generate test data;
- TMMi 5 Certified

SME (Banking Domain)

- Deep knowledge in core banking, lending, payments, cards, regulatory reporting
- Build with compliance in mind (EAST/1104, Basel, HKMA/MAS)
- Faster from requirement to solution; smoother UAT

Looking Ahead — Business Strategic Priorities

Our roadmap for the remainder of FY2026 and beyond:



01 Continue Global Expansion

- Deepen penetration in North America and the Middle East.
- Leverage our Offshore Delivery Centers for APAC growth.

02 Scale AI & Digital Solutions

- Commercialize Nibot across more financial institutions.
- Win more legacy modernization projects.

03 Drive Cross-Selling

- Offer our diversified capabilities (e-commerce, education, travel tech) to existing financial clients.

04 Invest in Talent

- Expand CLPS Academy programs to new geographies.

We are building a future-oriented, resilient, and profitable global technology company.
